

Let's Make a Harmonica

Supplies: 3 craft sticks, 3 rubberbands, two small pieces of paper

Step 1

Wrap one rubberband around one craft stick and fold the two pieces of paper into small squares.

Step 2

Put the rubberbanded craft stick on top of another craft stick. Next, place one folded paper under the rubberband and the other folded paper on top of the rubberband.

Step 3

Place the last craft stick on the top.

Step 4

Wrap each end with a rubberband.

Place your lips over the harmonica and blow into or draw air out.
