

MUSIC MATCHING GAME

First, glue this page on another piece of paper so you can't see through it when the cards are turned over. Next, cut the cards apart. Then, turn the cards over so you cannot see the image. Take turns turning the cards over two at a time. If they match, you get to keep them. If they don't match, turn them back over and it's the next player's turn. The player with the most matches wins.
